INFORMATION STATEMENT

GENERAL INFORMATION

Allied Esports Entertainment, Inc., a Delaware corporation (the “Company,” “AESE,” “we,” or “us”), is distributing this information statement solely for purposes of informing our stockholders of record as of [●], 2020 (the “Record Date”), in the manner required by Regulation 14(c) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the Delaware General Corporation Law (the “DGCL”), of the action taken by written consent by the holders of a majority of the issued and outstanding shares of common stock of the Company to approve an amendment (the “Amendment”) to the Company’s Second Amended and Restated Certificate of Incorporation to increase the number of shares of authorized common stock of the Company by 25,000,000 shares, from 75,000,000 shares to 100,000,000 shares. The Amendment would also result in a corresponding increase in the number of authorized capital stock of the Company from 76,000,000 shares to 101,000,000 shares.

Summary of the Corporation Action

For the reasons discussed in this Information Statement, our Board of Directors (the “Board”) has adopted resolutions to approve the Amendment. The Amendment, which requires stockholder approval for its adoption, has been approved by written consent of the holders of a majority of our issued and outstanding voting securities.

The proposed form of the Amendment is attached as Annex A to this Information Statement.

In accordance with Rule 14c-2 under the Securities Exchange Act, the stockholder action taken by written consent will become effective no earlier than 20 calendar days after the date on which this Information Statement is sent or given to our stockholders. This Information Statement is first being mailed on or about [●], 2020 to the Company’s stockholders of record as of the record date.

Voting and Vote Required

The Company is not seeking consents, authorizations or proxies from you. Under the DGCL, the Amendment may be approved, without a meeting of stockholders, by a resolution of our Board of Directors, followed by the written consent of stockholders representing a majority of the voting power of our outstanding shares of common stock.

Dissenters’ Rights of Appraisal

Under the DGCL, Company stockholders are not entitled to appraisal rights with respect to the Amendment.

Notice Pursuant to the DGCL and the Company's Bylaws

This Information Statement serves the purpose of informing stockholders of the matters described herein pursuant to Section 14(c) of the Securities Exchange Act and the rules and regulations prescribed thereunder, including Regulation 14C, and serves as the notice required by Section 228 of the Delaware General Corporation Law of the taking of a corporate action without a meeting by less than unanimous written consent of our stockholders.

INCREASE IN AUTHORIZED SHARES

The Company's Second Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") currently authorizes the issuance of a total of 76,000,000 shares of capital stock. Of such shares, 75,000,000 are designated as common stock and 1,000,000 are designated as preferred stock. As of the record date, there were 31,963,017 shares of common stock outstanding, and no shares of preferred stock are outstanding.

In addition to the 31,963,017 shares of common stock outstanding, the Company has an aggregate of 42,681,552 shares of common stock reserved for issuance pursuant to the exercise or conversion of outstanding convertible securities and under the Company's 2019 Equity Incentive Plan.

The aggregate number of outstanding and reserved shares of common stock is 74,644,569 shares, leaving only 355,431 shares of common stock available for future issuances. Such future issuances could include the issuance of the common stock, and, more generally, the sale of securities in order to raise capital, for the payment of consideration in acquisitions, as additional shares issued in connection with grants made to employees under new or expanded existing compensation plans or arrangements, and for other uses not currently anticipated. The Amendment, which will increase the number of shares of common stock available for future uses, will provide the Company with flexibility and alternatives in structuring future transactions, although no such future transactions are specifically contemplated at this time.

The Amendment will not change any of the rights, restrictions, terms or provisions relating to the common stock or the preferred stock. However, future issuances of common stock, other than on a pro-rata basis, would dilute the percentage ownership and voting interest of the then current stockholders.

On August 6, 2020, the Board adopted resolutions to approve the Amendment. Section 242 of the DGCL required the affirmative vote of a majority of the outstanding shares of our common stock to approve and adopt the Amendment. Primo Vital Limited and Knighted Pastures LLC, the holders of a majority of the Company's issued and outstanding common stock, approved the Amendment by a written consent dated August 21, 2020.

A Certificate of Amendment to the Company's Second Amended and Restated Certificate of Incorporation reflecting the Amendment, which will be filed no earlier than 20 calendar days after the date on which this Information Statement is sent or given to our stockholders, will be effective upon the filing with the Secretary of State of Delaware.

OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS

The table below sets forth information known to us regarding the beneficial ownership of our common stock as of September 2, 2020, for:

- each person we believe beneficially holds more than 5% of our outstanding common shares (based solely on our review of SEC filings);
- each of our "named executive officers" as identified in the summary compensation table contained in our Annual Report on Form 10-K for the year ended December 31, 2019, filed with the SEC on March 16, 2020 and amended on March 17, 2020; and
- all of our current directors and executive officers as a group.

The number of shares beneficially owned by a person includes shares issuable under options, warrants and other securities convertible into common stock held by that person and that are currently exercisable or that become exercisable within 60 days of September 2, 2020. Percentage calculations assume, for each person and group, that all shares that may be acquired by such person or group pursuant to options, warrants and other convertible securities currently exercisable or that become exercisable within 60 days of the Record Date are outstanding. Nevertheless, shares of common stock that are issuable upon exercise of presently unexercised options, warrants and other convertible securities are not deemed to be outstanding for purposes of calculating the “Percentage of Shares Beneficially Owned” by any other person or any other group.

Except as otherwise indicated in the table or its footnotes, the persons in the table below have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them, subject to community property laws where applicable.

As of September 2, 2020, we had 31,963,017 shares of common stock issued and outstanding.
